Reliefs have been sought in this writ petition for conducting survey and earmarking boundaries of 70 cents of land and these prayers has been made on the basis that the land in question belongs to the petitioner. But, on going through the records, I notice that the 70 cents of land in respect of which claim is raised is Government property, and the petitioner has made Ext.P8 application for assignment, which is still pending.

2. So long as the assignment application has not been allowed, petitioner cannot complain that the land is described as 'Tharisu' in the survey records. Therefore, irrespective of the reliefs that are sought in this writ petition, the only relief that could be granted is that a decision shall be taken by the 5th respondent on Ext.P8 in accordance with law.

Writ petition is disposed of.

ANTONY DOMINIC, JUDGE.
